In the Indian context, the term pseudo-secularism is used to pejoratively describe policies considered to involve minority appeasement. The Hindus form the majority religious community in India; the term "pseudo-secular" implies that those who claim to be secular are actually not so, but are anti-Hindu or pro-minority. The Hindu nationalist politicians accused of being "communal" use it as a ...

Nigeria is a secular state – Punch Newspapers

One contentious issue for secular campaigners in the United States is the fact that many religious organizations are able to register as charities, allowing them to claim billions of dollars of public subsidy (Cragun, Yeager, & Vega, 2012). In Germany, the state automatically deducts a "church tax" from registered members of many religious denominations as part of its public subsidies for religion unless members expressly opt out (and in so doing risk losing access to religious services).

DOWN TO EARTH is a well-made series with a few drawbacks. The documentary-style filmmaking is excellent, Zac Efron makes for a charismatic host, and he educates viewers on real world examples of saving the environment. However, it advocates a secular, humanist worldview with an environmentalist agenda, and has an inconsistent tone.
