Agaricales Modern Taxonomy Rolf Singer

Rolf Singer (June 23, 1906 - January 18, 1994) was a German -born mycologist and one of the most important taxonomists of gilled mushrooms (agarics) in the 20th century. After receiving his Ph.D. at the University of Vienna in 1931 he worked in Munich. By 1933, however, Singer left Germany for Vienna due to the political deterioration in Germany. There he met his wife, Martha Singer.
