In April I found a firmware/software update was available for my Discover Media unit. I took it to VW

Hatfield in PTA with the TPI. There is quite a process to follow on their system, to download, install and activate the install in ODIS online. These updates are typically associated with a specific series of HW part numbers.

### **Discover Media firmware upgrade available?**

The Discover Media product is second rate to the Pro one. Feeling happy I kept my car and had the unit adjusted so I didn't need Mapcare that in the Vag world they gave up with years ago. Partner had to get the car with the duff Media unit in it, was going to pass mine on. Seat now don't offer the Pro unit unless it's a Cupra.
