Much like its predecessor, Alien Tango is a fun, fluffy romp, complete with sexy aliens, wacky action, snarky dialogue, and a whole lot of fun.

Alien Tango (Katherine "Kitty" Katt, #2) by Gini Koch

Light-hearted, well paced and humorous. It manages to combine benevolent, super-powered aliens exiled to Earth with themes of domestic terrorism, xenophobia, interracial and interfaith dating, and the ways in which loving families can be unintentionally cruel. And it all makes sense and is fun, which is the lovely thing about this series.

For Alien Super-Being Exterminator Katherine "Kitty" Katt, anti-alien conspiracies, threats from outer space, and a couple of killer alligators are all in a day's work. It's been five months since Kitty joined Centaurion Division, working with the aliens from Alpha Centauri. She and Jeff Martini have grown closer and life looks rosy.

Alien Tango en Apple Books

The project of London- based and Spanish-born Alberto García Roca, Alien Tango's vaudeville DIY bedroom pop is camp, catchy and chaotic. Roca's singular musical vision puts him in the same league as Daniel Johnston and The Lemon Twigs but his music has a more abstract slant than either of those artists, shot through with humour and surrealism that demands a lot from its audience but gives back much more.
