### Anticancer New Life David Servan

Anticancer: A New Way of Life. When David Servan-Schreiber, a dedicated scientist and doctor, was diagnosed with brain cancer, his life changed. Confronting what medicine knows about the illness and the little-known workings of his body's natural cancer fighting capacities, and marshaling his own will to live, Servan-Schreiber found himself on a fifteen-year journey from disease and relapse into scientific exploration and, finally, to health.
