Unlike lipids, carbohydrates, proteins, and nucleic acids are macromolecular chain-like molecules called polymers. 2.

Chapter 7: Membrane Structure and Function

Openstax does have chapter questions available, but I prefer to use reading guides which ask students to read the chapter, pausing to answer questions as they go. I have developed reading guides for several chapters and will add more as I go. I often only award a small number of points for reading guides, about 5 pts and mainly look for completion.
