I also took a random test the day before my CCNA but don't have the score for it. The Boson is slightly harder than the CCNA, which is common sentiment on this sub. David Bombal's CCNA labs. I got this course for free and just used his labs for practice on things I felt iffy about.

CCNA : ccna

Just took the CCNA for the fourth time yesterday and I'm lost. I don't know how long I should wait to try again, or if I should just give up at this point. I have all the materials possible to prepare (books, labs, etc) and it's not a question of that anymore. It's hard for me at 34 years old working two IT jobs to stay focused enough to study.
