Currently, I play a lot of chamber music by living composers, and I cherish that very much. Composers help us to understand the music more immediately, and at times, we musicians can add our ideas to a piece as well. It's probably one of the most creative collaborative processes that we bring to making music together.

Why I Play Chamber Music - Strings Magazine

For more than 100 years, chamber music was played primarily by amateur musicians in their homes, and even today, when chamber music performance has migrated from the home to the concert hall, many musicians, amateur and professional, still play chamber music for their own pleasure.

Chamber Music at The Barn - Where Music Comes to Play

Modern opera has its origins in Italy. An essential characteristic of chamber music results from the limited size of the performing group employed: it is intimate music, suited to the expression of subtle and refined musical ideas. Rich displays of varied instrumental colour, and striking effects produced by sheer sonority, play little part in chamber music.
