Yin & Yang and the I Ching. In India the theory of the three elements in the Chândogya Upanishad led to the theory of the three forces, the guṇas, and to the later theory of five elements. In China, the theory of five elements coexisted early with the theory of two forces: and . These can also simply be called the "two forces," (where ch'i, , is the "breath" or vital energy of the body, but ...
