Help section of Global Shop Solutions is not helpful - it has a lot of technical jargon and at times is not easily understood. There are many sections that look to be more IT-based than user-based. Also, there are out of date sections so you might not be able to find what you are looking for. Training modules available for an extra cost.

Global Shop Solutions One-System ERP Reviews & Ratings 2020

The office gals had a tough time transitioning the accounting side to Global Shop from Quickbooks. Although one thing I will say on this is, Global Shop was always there to answer questions, and now after we are up and going our accountant says her job is easier. 2. Updates (we've been updating yearly).
