When it comes to newborn hygiene, only sponge bathe your baby until the umbilical cord falls off. This may take one to two weeks after birth. Only after that you can bathe your infant in a baby bath or a normal bath tub. It is crucial that you remember to never leave your baby unattended, especially

Newborn baby guide | Baby guide

Expect your baby to sleep about 14 to 17 hours a day or more, waking frequently for feedings. It can be up to 19 or 20 or under 14, though the National Sleep Foundation says newborns need 14 to 17 hours. The "average" newborn sleeps about 16.5 hours between daytime and nighttime snoozing, though there's a wide range of what's normal.

1 Month Old Newborn Baby Milestones Guide

Domestic private adoption typically costs around \$12,000 to \$45,000 in the U.S. and can take anywhere from six months to several years. In cases involving infant or newborn adoption, the birth parent or parents may have a say in who the adoptive parents will be, which could slow down the process a bit.

Adopt A Baby: Guide To Adopting A Newborn Or Infant In The ...

factors will also influence the color of your baby's skin. At birth, the skin of the normal newborn is reddish-purple in color and turns bright red when the baby cries. (During the first few days of life, the skin gradually loses this redness.) In addition, the newborn's hands and feet may be cool and blue. By the third
