5. They Are Active in the Community. We sometimes forget that there's more to us than our careers. Sometimes leadership in the workplace gets defined in part by what goes on beyond its walls.

### 10 Ways Leaders Influence Organizational Culture

To reiterate, the culture affects leadership as much as leadership affects culture. For instance, a strong organizational culture, with values and internal guides for more autonomy at lower levels, can prevent top administration from increasing its personal power at the expense of middle-level administration. On a more specific level, the culture can affect how decisions are made with respect to such areas
