Enstrom Candies

Confectionery manufacture has been dominated by large-scale industrial processing for several decades. Confectionery implies the food items that are rich in sugar and often referred to as a confection and refers to the art of creating sugar based dessert forms, or subtleties (subtlety or sotelty), often with pastillage. The simplest and earliest confection used by man was honey, dating back ...

Abdallah Candies | Delicious Gourmet Chocolate Shop & Candy MN

Though its origins are a mystery, some speculate that the word toffee is a Creole term for a molasses and sugar combination. Crisp and buttery sweet with a richness that exudes divinity, toffee works in combination with many flavors like coffee, chocolate, cream, caramel, etc. Try some of these toffee accented candies yourself. You won't regret it.

Toffee & Butter Toffee Candy | CandyStore.com

A simple concordance of butter, sugar, walnuts and chocolate yields a rich, indulgent toffee. For best results, use a candy thermometer during the boiling stage, and use a lightly oiled wooden spoon if you want to spread out the mixture to cool.
