This series looks at the stories behind iconic designs from each decade, starting in 1900. This installment covers transportation's influence on 1930s styles, Frank Lloyd Wright's Fallingwater, and '30s design objects still popular today. If the story of a style icon could symbolize the arc of a decade, perhaps that's what the SS Normandie's does for

The Great Depression was a severe worldwide economic depression that took place mostly during the 1930s, beginning in the United States. The timing of the Great Depression varied across the world; in most countries, it started in 1929 and lasted until the late 1930s. It was the longest, deepest, and most widespread depression of the 20th
